TECHNICAL SKILLS

Languages: JavaScript, HTML, CSS
Frameworks: React.js, Bootstrap, MUI, Tailwind CSS
Agile Methodology: Git

PROJECTS

Music Forecast | GitHub | Website   March 2023

- Incorporated Spotify and OpenWeather APIs to curate a dynamic front-end web application, empowering users to effortlessly search locations, retrieve current weather conditions, and enjoy personalized Spotify playlists based on the mood and climate of their chosen location.
- Tools: HTML, CSS, JavaScript, GoogleFonts, Bulma

Rest Easy Recipes | GitHub | Website   May 2023

- Developed and deployed a dynamic, full-stack website that revolutionized recipe management, enabled users to create, store, and favorite their own recipes online.
- Tools: React, GraphQL, Express, Node, MUI, MongoDB, Heroku

EXPERIENCE

Tasteas   10/2013 - 2/2023
Assistant Manager   Fountain Valley, CA

- Streamlined operations during high-volume periods by delegating tasks to team members and created a comprehensive scheduling system, resulting in overall team efficiency.
- Created an optimal training regimen for team members to reach their full potential by providing constructive feedback to enhance their professional growth; facilitated skill development and knowledge sharing.
- Conducted regular inventory audits, identified obsolete stocks, and implemented a clearance strategy resulting in a reduction in inventory holding costs and increased cash flow.

Patterns Behavior Services   3/2021 - 6/2021
Behavioral Health Technician   Costa Mesa, CA

- Collected and meticulously recorded clients' data on treatment progress, ensuring accurate tracking and analysis of behavioral outcomes, enabling data-driven decision-making and customized treatment adjustments.
- Provided 1:1 Applied Behavioral Analysis therapy techniques to teach clients a wide range of skills, including emotional regulation, resulting in a 40% decrease in behavioral incidents and a 25% increase in overall client progress.
- Collaborated with BCBA to review treatment plans, implementing strategic modifications that enhanced intervention effectiveness.

INTERNSHIPS

Alliance Rehab
Physical Therapy Aide Intern

4/2022 - 8/2022
Fountain Valley, CA

- Instructed patients, families, and other caregivers in the skills and techniques of the physical therapy treatment program under the supervision of the physical therapist.
- Monitored and documented patients progress and report any changes to the physical therapist.

American Red Cross
Blood Donor Ambassador Volunteer

10/2017 - 11/2017
Santa Ana, CA

- Created efficient filing systems, sort patient information, and ensure software is updated.
- Greeted donors, explained the donation process as necessary and assisted with initial intake and hand offs through the blood donation process.
