github.com/slurpsz | Portfolio: HalleBe.github.com

TECHNICAL SKILLS

Languages: JavaScript, HTML, CSS
Frameworks: React.js, Bootstrap, MUI, Tailwind CSS
Agile Methodology: GitHub

PROJECTS

Music Forecast | GitHub | Website   **March 2023**
- Incorporated Spotify and OpenWeather APIs to curate a dynamic front-end web application, empowering users to effortlessly search locations, retrieve current weather conditions, and enjoy personalized Spotify playlists based on the mood and climate of their chosen location.
- Tools: HTML, CSS, JavaScript, GoogleFonts, Bulma

Rest Easy Recipes | GitHub | Website   **May 2023**
- Developed and deployed a dynamic, full-stack website that revolutionized recipe management; enabled users to create, store, and favorite their own recipes online.
- Tools: React, GraphQL, Express, Node, MUI, MongoDB, Heroku

EXPERIENCE

Tasteas   **2013-2023**
Assistant Manager   **Fountain Valley, CA**
- Streamlined operations during high-volume periods by delegating tasks to team members and created a comprehensive scheduling system, resulting in overall team efficiency.
- Created an optimal training regimen for team members to reach their full potential by providing constructive feedback to enhance their professional growth; facilitated skill development and knowledge sharing, resulting in 40% reduction in customer escalations.
- Conducted regular inventory audits, identified obsolete stocks, and implemented a clearance strategy resulting in a 30% reduction in inventory holding costs and increased cash flow.

Patterns Behavior Services   **2021**
Behavioral Technician   **Costa Mesa, CA**
- Provided 1:1 Applied Behavioral Analysis therapy techniques to teach clients a wide range of skills, including emotional regulation, resulting in a 40% decrease in behavioral incidents and a 25% increase in overall client progress.
- Collaborated with BCBA to review treatment plans, implementing strategic modifications that enhanced intervention effectiveness and led to a 15% reduction in challenging behaviors among clients.
- Collected and meticulously recorded clients' data on treatment progress, ensuring accurate tracking and analysis of behavioral outcomes, enabling data-driven decision-making and customized treatment adjustments.

EDUCATION

Certificate, Full Stack Development – University of California, Irvine   **Irvine, CA**

California State University, Fullerton   **Fullerton, CA**
Bachelor's degree in Health Science
